Remind me why we're doing this?

The 17-year-old wooden play structure at Kay Park is in need of replacement. Measure A funds will cover \$75,000, but total cost of new equipment, installation, and resurfacing is expected to cost \$125,000. In 2001, when the Tam Valley community found itself in a similar situation, they raised enough to bridge the gap. We're asking you to do it again. All monies raised will go straight to the **50Kay** fund.
